Application for House to House Collections Permit

N & A Recycling Ltd (Leukaemia & Myeloma Research UK)

Purpose of Report

1. To consider the application for the grant of a House to House Collections permit in respect of N & A Recycling Ltd on behalf of the charity known as Leukaemia & Myeloma Research UK.

Background

2. On 7th August 2015, Mrs Alma Dovydaitiene of N & A Recycling Ltd made application for a House to House Collections permit in respect of the charity Leukaemia & Myeloma Research UK. A copy of that application has been forwarded to Committee Members and interested parties.
3. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House to House Collection applicants to submit income and expenditure accounts for the previous financial year.
4. In recent years applications for House to House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009, the Council introduced a further policy that applicants for House to House Collection permits be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to ensure that a substantial amount of the monies collected are used for charitable purposes.
5. Copies of the application have also been circulated to the West Midlands Police and the Directorate of the Urban Environment (Highways). Those agencies raised no objections to the application.

6. A copy of the accounts in respect for N & A Recycling has also been circulated to Committee Members, however Leukaemia & Myeloma Research UK have confirmed that they are unable to supply accounts as the Charity has only been established since 12th May 2015.
7. This matter was due to be considered by the Licensing Sub-Committee 2 on the 22nd September 2015, the Committee resolved that the application be deferred to a future meeting of the Sub-Committee when the applicant shall attend the meeting and prior to that meeting supply the information contained in Section 2 (a) of the House to House Collections Act 1939.
8. This report has a direct link to the Council's policy for safety as the principal reason for submission is safeguarding the public.
