Subject: RE: 4/26(0177) Street Trader Application - Mr Christopher Maurice Davis

Hi Kay,

I must say though we do use Foster Street on occasion for our "town wide" events and Centro have been using the area regularly bringing in their information vehicle and displays as Stourbridge bus station will soon be closed (24th October 2010) for major redevelopment. This may affect Mr Davis's decision to proceed.

Kindest regards

Stuart
