<u>Report of the Lead Officer for the Directorate of the Urban Environment Scrutiny</u> <u>Committee</u>

Support to Local Businesses (Area 2 – Business to Business)

Purpose of Report

 To provide Committee Members with an overview of the findings of the TORCh Group (Action Learning Set 6) in order to support the scrutiny of Support to Local Business (Area 2 – Business to Business)

Background

2. On the 14th August 2013, the Working Group of this Committee endorsed the process for scrutinising the three sub-areas of 'Support to Local Businesses', namely:

Area 1: Dudley Business Loan Fund; Area 2: Business to Business; and Area 3: Dudley Business First initiative

- 3. Participants from the Council's TORCh Programme have led a review of Area 2 (Business to Business) and prepared a list of recommendations and considerations to inform the scrutiny process. As agreed, the specific remit of the Torch Group has been:
 - To scrutinise the effectiveness and local economic of the Dudley Business First Business to Business Portal on the Dudley Business First website; and
 - (ii) To agree practical recommendations and timescales for delivery to encourage and enable intercompany trading and promote opportunities to develop local supply networks across Dudley.
- 4. TORCh stands for Transforming Organisation, Real Change and is a Council-wide initiative introduced in January 2013 to develop talent management and leadership capacity and capability. A requirement of participants on the TORCh programme is to promote development opportunities through real and specific assignments. Six key project groups have been identified by the Council and allocated to participants on the Torch Programme. In addition to supporting local businesses other projects include commissioning, apprenticeships/work placements, employment deal, welfare reform and community engagement.
- 5. TORCh participants who have reviewed the area of support to local businesses and will present to this Committee are as follows:

Name	Directorate
lan Gardner	Adult, Community and Housing Services
Wayne George	Urban Environment
Fay Hayward	Children's Services
Kimberley Rickards	Corporate Resources
Sam Webb	Corporate Resources
Project Sponsor /Assistant Director	Adult, Community and Housing Services
Ron Sims	

- 6. For clarity, Business to Businesses activity refers to business activities that are conducted **between companies** (namely, buyers and suppliers) rather than between a company and a consumer.
- 7. The review process undertaken by the TORCh Group has been guided by the definition above and comments raised by Members at the Working Group held on 14th August 2013. Further advice and guidance has been provided by the Group's allocated Project Sponsor, Ron Sims. To summarise, key point raised by Members in relation to Business to Business included:
 - Marketing and communications;
 - The current Business to Business landscape faced by local businesses (in particular, at a Black Country level);
 - Identification of best practise;
 - Feedback from existing users of the B2B portal;
 - Alternative branding other than B2B;
 - Recommendations on how to improve or develop existing provision;
 - Mechanisms (projects or policies) which could improve business to business activities; and
 - Current resources
- 8. The research undertaken by the TORCh Group has drawn of the following evidence:
 - Review of the latest Business Needs Survey;
 - Review of existing Business to Business Portals across the Black Country and at a national level;
 - Identification of best practise;
 - Feedback from local businesses;
 - Review of the Council's current Procurement Strategy (2009-2014);
 - Review of the Public Services (Social Value) Act 2012; and
