3. The Local Authority licensing policy states as follows:-

- If authorisation is sought for more than two category C or D machines the applicant will be required to attend a hearing to support the application. All plans submitted with applications for premises licences must set out the siting of each category C or D machine.
- Parliament has placed no restrictions on the age at which such machines may be played (other than those in amusements arcades). It is, therefore, a matter for the discretion of the premises licence holder and any adult accompanying the children concerned whether they are entitled to play such machines. In the case of premises used exclusively or primarily for the consumption of alcohol, all children under the age of 16 will only be permitted entry to the premises if accompanied by adults. All such machines must be sited in accordance with the Gaming Act, further advice will be given on receipt of application.
- There is unlikely to be the need for a hearing where the application is for renewal of the existing permit for more than two machines or where the application is for the grant of a Licensed Premises Gaming Machine Permit at premises which already have an existing permit for more than two machines, and where that number is not increased.

4. On the 6th January 2011, an application was received from J D Wetherspoon in respect of the Full Moon for the grant of 4 category C Gaming Machine Permits. A copy of that application, together with a plan of the premises is attached to this report as Appendix 1.
5. The current licence holder of the Premises Licence is J D Wetherspoons and the current designated Premises Supervisor is Ms N Young. The premises currently has a Licensed Premises Gaming Machine Permit, which entitles them to have up to 3 category C machines.
