Sedgley Toilets (Lights)

The lights are left on in the toilets in the evenings for security reasons. There is a great deal of anti-social behaviour.

Speeding Traffic (The Ridgeway)

A traffic survey representative of normal highway conditions to be undertaken in The Ridgeway to determine the volume and type of traffic. The improvement works at the junction of Jews Lane/Eve Lane has created additional congestion and delays to through traffic and drivers avoiding this congestion are likely to seek alternative routes such as The Ridgeway. The junction improvement is due to be completed and traffic flows return should revert to normal in February. A traffic survey to be arranged towards the end of February (avoiding the school half term week) to determine traffic flows and a report to be prepared for a future North Dudley Area Committee.

Petition Regarding Speed Restriction on the Right of Way Leading From Church Street/Dawlish Road, Woodsetton

Traffic calming measures are not carried out unless they form part of a local safety scheme where the emphasis is very much related to a reduction in the recorded number of personal injury accidents. Having reviewed the accident record for this area there have been no personal injury accidents recorded during the last 3 year period and against this background officers from the traffic section would clearly find it difficult to justify or recommend a local safety scheme being carried out. Letter has been sent to first named petitioner.
