The Police do have objections to the Carol Marie Carr street trading applications, see comments from Sergeant Hayward attached.

Dave,

As briefly discussed, my concerns are as follows.

The road in question is busy during this period.

The lay-by location is not far from the Island. Because the lay-by is fairly small, I have concerns regarding vehicles parking up to use the services of the catering unit, particularly of the larger vehicle type. This would subsequently lead to congestion, obstruction of the highway etc.

For the above reasons I would not support this application.

Warren Hayward.
