### Dudley Central Area Youth

Forum

DC4U

**D C 4 U** (Dudley Central Youth Forum)  
is a group of young people from the Dudley  
Central Area working towards creating better  
opportunities for other young people living in the  
Area. We are here to listen to the voices of  
young people and work towards making  
changes and giving young people a chance to  
help improved opportunities. As well as doing all  
of this important work we are also about having  
fun too. We are currently recruiting 13-19 year  
olds to come and join our Group.  
So, if you want something positive to do, and  
want to be involved in making the Area a better  
place for young people, contact us for more  
information.

#### PARTNERSHIPS AND JOINT WORKING

The Dudley Central Youth Team also work with  
partners such as the Police, Schools and Colleges
