### FOOTNOTES

- 1) Installation of cavity fill insulation in accordance with part D of schedule 1 to the principal regulations. Where installation is not installed by an approved installer, or is not part of a larger project then charges are to be assessed on schedule 3.
- 2) Installation of an unvented hot water system in accordance with part G3 of schedule 1 to the principal regulations where the

installation is not part of a larger project and where the authority carries out an inspection then charges are to be assessed on schedule 3.

### Schedule 3: Charges for other work<sup>6</sup>

Estimated cost of work	FULL PLANS	
	PLAN FEE	INSPECTION FEE
0 – 3000	£140.00	
3000 – 5000	£165.00	
5000 – 20000	£41.25 plus £2.25 for each £1000 or part thereof over £5000	£123.75 plus £6.75 for each £1000 or part thereof over £5000
20000 – 100,000	£75.00 plus £2.00 for each £1000 or part thereof over £20,000	£225.00 plus £6.00 for each £1000 or part thereof over £20,000
100,000 – 250,000	£235.00 plus £0.88 for each £1000 or thereof over £100,000	£705.00 plus £2.62 for each £1000 or part thereof over £100,000

**NOTE: 1. FOR BUILDING WORKS VALUED AT MORE THAN £250,000 YOU SHOULD CONTACT THE BUILDING CONTROL OFFICE WITH REGARD TO FEE EVALUATION.**

**2. VAT AT CURRENT STD RATE TO BE ADDED TO FEES SHOWN.**

**3. WHERE A BUILDING NOTICE IS APPLICABLE THE FEE SHOULD BE THE SUM OF THE PLAN AND INSPECTION FEE.**

### FOOTNOTES

**1 Building Notice fee** shall be an amount equal to the aggregate of the plan fee and the inspection fee. Fees in connection with Building Notices must be made at the time of deposit.

**2 Regularisation fee** is the fee payable when an application is made to the local authority for a Regularisation Certificate in respect of unauthorised building work, commenced on or after 11 November 1985, and is 120% of the total of the plan and inspection fee if Full Plans or a Building Notice had been deposited.

**3 Disabled person** means a person who is within any of the descriptions of persons to whom section 29 of the National Assistance Act 1948 (a) applies.

**4 Dwelling in excess of 300m<sup>2</sup> in floor area to be calculated on estimate cost in accordance with Schedule 3.**

**5** Detached garages and carports having an internal floor area not exceeding 30m<sup>2</sup> are “exempt buildings” providing in the case of a garage it is sited not less than one metre from all boundaries or alternatively it is constructed substantially of non-combustible materials. Extensions comprising a carport must be open on at least two sides.

**6** Full Plans submissions for work costing less than £5,000 must be accompanied by the total fee at the time of deposit.

**7 The total estimated cost is an estimate**, accepted by the local authority, of such reasonable amount as would be charged by a person in business for carrying out the proposed work but does not include V.A.T. and professional fees paid to an Architect, Quantity Surveyor or any other person. Where the fee is based on total estimated cost of the work a reasonable estimate will be required, which must be deposited with the application.

In cases where the local authority considers an estimate to be unreasonable, or where no estimate or fee is supplied, the local authority is authorised to treat plans as if they had not been deposited. Where there is dispute as to the reasonableness of an estimate then the matter will be resolved legally.

**8** Plans submitted to the Council must be accompanied by the correct plan fee. Plans should be deposited either by post or at Development Services, Building Control, 3 St James’s Road, Dudley DY1 1HZ.

**9** Reversion Fee: is the amount of the Building Notice Fee which would be payable under these regulations if a building notice in relation to the carrying out of that work has been given in accordance with the principal regulations at the time the reversion fee is payable.

**10** Prior to the deposit of a Building Notice you are advised to check with the Authority that the proposal is not influenced by the presence of a public sewer. Tel. 01384 814443.

# Schedule 4

## Part P: Electrical Safety

---

The scale of charges relates to works carried out under the provisions of Part P to The Building Regulations 2000 (as amended) being the design, installation, inspection and testing of relevant works related to electrical safety in domestic properties.

1. Relevant electrical works carried out by a competent electrician registered with an appropriate self certification scheme and with notification of those works registered with the authority through the provisions of that scheme.

**No Fee**

2. Relevant electrical works carried out in connection with the building of a new dwelling or the alteration or extension of an existing dwelling where those works are the subject of an application for Building Regulation approval. Works carried out by a competent electrician registered with an appropriate self certification scheme and with notification of those works registered with the authority through the provisions of that scheme.

Registration noted on Building Regulation File

**No Fee**

3. Relevant electrical works carried out by a competent electrician not registered with an appropriate self certification scheme but able to sign appropriate certification to demonstrate the compliance of the installation.

Application to be made using a Building Notice with a full description of the works to be given. Appropriate certification to be provided by the electrician. The Authority will register the application but not issue a completion certificate but a letter confirming the registration and receipt of appropriate test certification.

**Fee £ 43.00 + VAT**

4. Relevant electrical works carried out in connection with the building of a new dwelling or the alteration or extension of an existing dwelling where those works are the subject of an application for Building Regulation approval. Works carried out by a competent electrician not registered with an appropriate self certification scheme but able to sign appropriate certification to demonstrate the compliance of the installation.

Certification to be entered on the Building Regulation File

No additional fees required and completion certificate to be issued in normal manner.

**With no certification for the electrical works on file then completion certificate will not be issued following completion inspection of the building works.**

5. Relevant electrical works carried out by a non qualified person.  
Application to be made using a Building Notice with a full description of the works given.

**Registration of application            £ 43.00 +VAT**

No additional fee to be paid if independent certification provided from a competent electrician to validate compliance of the works.

Acceptance certificate will be issued by the Authority.

If inspection is required by the Authority to validate the works then additional charges as Appendix B will be levied.

On satisfactory completion inspection acceptance certificate will be issued by the Authority.

6. Electrical works carried out in connection with the building of a new dwelling or the alteration or extension of an existing dwelling where those works are subject of an application for Building Regulation approval. Works carried out by a non qualified person.

Registration noted on Building Regulation file.

No additional fee to be paid.

No further fee to be paid if independent certification provided from a competent electrician to validate compliance of the electrical works.

Completion certificate will be issued by the Authority in the normal manner.

If inspection is required by the Authority to validate the electrical works then additional charges as appendix B will be levied.

Completion certificate will be issued by the Authority in the normal manner.

## **APPENDIX A**

### **Definition of Competent Person**

An electrician registered with a recognised trade body such as NICEIC, ECA and NAPIT and is able to test the work and issue a design, installation and test certificate under the provisions of BS7671.
