

**Stourbridge Area Committee – 21<sup>st</sup> January 2008**

**Report of the Director of Finance**

**Stevens Park and Recreation Ground Foundation Trusts**  
**Application for Grants**

**Purpose of Report**

1. To consider the following request for an application for funding from the Trust.

**Background**

2. Ernest Stevens made various donations of property to the Council, which were to be used for specific purposes. These have been identified as individual Trusts and detailed below:
  - a.) Mary Stevens Maternity Home and Public Park Charity.
  - b.) Mary Stevens Park, Recreation Ground and Park, Norton.
  - c.) Stevens Park, Quarry Bank.
  - d.) Stevens Park and Recreation Ground Foundation, Wollescote
3. Only the Stevens Park and Recreation Ground Foundation has investments, which generate income for disbursement.
4. Members will be aware that the four Ernest Stevens Trusts are now combined under the control of this Committee.
5. The annual income of the Stevens Park & Recreation Ground Foundation Trust may be applied under the terms of the Trust Deed in one or more of the under-mentioned ways: -
  - a) the maintenance and improvement of the property for the time being belonging to the Foundation;
  - b) the acquisition and layout of additional land to be held in Trust;
  - c) the maintenance and the improvement of property held under the terms of the original Trusts dated 6<sup>th</sup> December 1929 and 13<sup>th</sup> February 1931.
  - d) the provision of facilities for recreation or other leisure time occupation with the object of improving the conditions of life of residents in the area of the former borough of Stourbridge.

6. In so far, in the opinion of the Council, that the net income of the Trust cannot be usefully and beneficially applied in accordance with the provisions in the foregoing paragraph, it may be applied for such other charitable purposes for the benefit of persons resident within the area of the former Borough of Stourbridge as the Council may determine.
7. In the application of the income of the Foundation, the Council should give preference to the area of the former Urban District of Lye and Wollescote and to meeting the needs of the people resident therein.
8. There is no set maximum amount stipulated in the Trust deed for a grant. However, in the past, the Trustees have tended to apply the criteria that the grant should be a maximum of £5000 or 50% of the total cost of a capital project
9. Application by Friends of Mary Stevens Park:

The Friends of Mary Stevens Park work to raise funds to restore Mary Stevens Park.

Friends of Mary Stevens Park are organising a May Day event, jointly with Stourbridge & Black Country Events, to raise funds for a café, the target being to raise £100,000.

The Friends are requesting a grant of £2,000 for the purchase of 2 marquees and 10 signs and permission to charge at May Day Fun Day on May 5<sup>th</sup> 2008.

The bank balance of the Friends of Mary Stevens Park at 31<sup>st</sup> March 2007 was £11,527, of which £5,000 has been allocated for commissioning architects.

Previous applications have been granted to The Friends of Mary Stevens Park of £1,500 in 2006/07, for the balance of the cost of railings to come from capital allocation, and £2,500 in 2005/06 for playground extensions

## **Finance**

10. The Trust income for 2006/7 is summarised as follows:

|                   |               |
|-------------------|---------------|
|                   | £             |
| Investment Income | 16,542        |
| Rental Income     | <u>1,116</u>  |
|                   | <u>17,658</u> |

It is anticipated that the income for 2007/8 will not change significantly.

11. Grants totalling £10,000 have been awarded in this financial year, and a previous report to this meeting considered a grant of £5,000
12. At a previous meeting of the former Finance (*Stevens' Bequests*), Sub-Committee, Members agreed to maintain the "real" spending power of the bequest as a fundamental part of the investment strategy. The total sums shown in Paragraph 9 above could be spent without jeopardising the strategy. However, should the value of the investment fall, any income then generated would need to be reinvested and would not be available for disbursement.

The market values of the investments are:-

|                       | <b>Original<br/>Value</b> | <b>Current<br/>Value<br/>31.03.2007</b> |
|-----------------------|---------------------------|---|
|                       | <b>£</b>                  | <b>£</b>                                |
| COIF - Fixed Interest | 118,000                   | 121,362                                 |
| - Equity Based        | 118,000                   | 224,418                                 |
|                       | <hr/>                     | <hr/>                                   |
|                       | 236,000                   | 345,780                                 |
|                       | <hr/>                     | <hr/>                                   |

Short-term investments are also held to provide some flexibility in the event of an unusually high level of bids in any year.
