Kerry,

I have spoken to the agent regarding the above application and they have verbally agreed to add measures to the application including regular documented staff training on prevention of underage sales and the use of a refusals register. She has assured me that the amendments will be sent to you in the next day or so.

Kind regards,

Jill Morris

Licensing,

After mediation with trading standards, our client would like to attach the following two conditions to his application:-

- 1) A refusals register shall be in place, maintained & made available to the authorities on request.
- 2) Staff must be trained in relation to the sale of alcohol before being authorised to make sales of alcohol. The training will be documented & made available to the authorities on request.

Many Thanks

Gemma Goodwin
