Purpose of Report

1. To consider the application for the grant of a House to House Collections Licence in respect of Recycling and Management Services Ltd on behalf of the charities known as the Royal Orthopaedic Hospital Bone Tumour Services and Be Child Cancer Aware.

Background

2. On the 16th October 2013 Mr Nicholas John Kell of R & MS Ltd made application for a House to House Collections Licence in respect of the charity known as ROHBTS. A copy of that application was forwarded to Committee Members and interested parties.
3. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House to House Collection applicants to submit income and expenditure accounts for the previous financial year.
4. In recent years applications for House to House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009 the Council introduced a further policy that all applicants for House to House Collection Licences be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to ensure that a substantial amount of the monies collected are used for charitable purposes. Copies of those accounts have been circulated to Committee Members and interested parties.

5. Copies of the application were circulated to the West Midlands Police and the Directorate of the Urban Environment (Highways). These agencies raised no objections to the application.
6. This matter was considered by the Licensing Sub-Committee 3 on the 3rd December, 2013, the Committee resolved that the application be deferred due to the none attendance of the applicant, Mr. Kell.
7. On the 14th November, 2013, Mr. Kell also submitted an application for the grant of a House to House Collections licence in respect of Recycling and Management Services Ltd. on behalf of the charity known as Be Child Cancer Aware, copies of that application along with the relevant accounts have been circulated to Committee members and interested parties.
8. The application was also circulated as in paragraph 5. above.
9. None of the agencies raised objections.
