

APPENDICES

NORTH DUDLEY AREA COMMITTEE

DATE: 2nd DECEMBER 2003

PROPOSED DISPOSAL OF GARAGE SITE

LOCATION: BROOKLYN GROVE, COSELEY

(As shown on the plan attached)

BACKGROUND

A report regarding the future of the former Housing garage site at Brooklyn Grove, Coseley, was taken to the North Dudley Area Committee on the 4th October 2000, when consideration of the matter was deferred for further consultation with home owners bordering the site to ascertain whether they would be interested in acquiring part of the garage site to the rear of their properties for use as garden extensions.

The council's surveyor has subsequently contacted all adjoining properties and has identified the properties that would be interested in purchasing additional garden land.

A plan is attached to this report that shows the approximate division of the garage site in order to provide the consenting residents with extra garden land and also shows the area of land that will be retained in Housing ownership in order to facilitate tenants rear vehicular access agreement.

Please note that the divisions on the plan attached are approximate only and may be subject to variation upon negotiation.

COMMENTS

The relevant Council Directorates have been consulted regarding this proposal and no objections have been received.

The Directorate of Housing state that there are no garages remaining on the site.
