86 **Revision of Licence Fees**

A report of the Interim Director of Environment was submitted on the revision of fees for Private Hire and Hackney Carriage licences administered by the Committee.

The Team Manager (Licensing and Waste Enforcement) presented the report in detail referring Members to paragraphs of specific importance.

The Finance Manager outlined the proposed budget for 2023/24 and confirmed that the projected budget had been calculated based on a 0% uplift to charges, inflationary increases for salaries being built in and operational efficiencies targeted to partly mitigate any potential impact.

It was noted that over the last three year cycle a surplus of £10,000 had been forecasted, excluding 2021/2022, during that period income levels had been consistent. The draft budget for 2023/24 reflected the costs and income budgets set in 2018/19 and therefore efficiencies had been generated to offset the rise in inflation over the five-year period and were outlined in the report submitted.

During 22/23, the volume of driving licence renewals, new vehicle applications, and vehicle test appointments had steadily risen and were projected to achieve or exceed levels identified in 2019/20. It was noted that new driver licence applications were already above 2019/20 levels, giving officers confidence that next year projected income should meet any additional inflationary increases.

The Finance Manager referred to specific detail in relation to the administration of the Licensing Service, including staffing costs, training and advertising. It was noted that an additional £99,000 had been incurred in comparison to the previous year resulting from the implementation of the pay award to employees across the Council, and a salary regrading exercise.

In concluding, the Team Manager (Licensing and Waste Enforcement) confirmed that he had received notification on behalf of the Taxi Association expressing their support of the recommendation by officers, as outlined in paragraph 2 of the report submitted, for the no increase in fees.

Resolved

That no action be taken to increase the fees for private hire and hackney carriage licences administered by the Committee, with effect from 1st April 2023.
