Kerry,

As per my below email with Sarah Welch (EHO), we have agreed to add the following condition to the licence, under the understanding that Sarah will not be making a representation on behalf of Environmental Health.

Prevention of Public Nuisance

"The outside area of the premises will be monitored by staff on a regular basis, any groups that congregate at the front of the store will be asked to move on if appropriate to do so."

Please can you confirm receipt of this email.

Many Thanks

Dear Gemma,

Morning. I hope you have had a nice weekend.

In view of the extended hours the applicant has applied for in the morning and to supplement the licensing objective for the prevention of public nuisance, is Mr Iqbal prepared to accept the the below statement as a condition of the licence?

"The outside area of the premises will be monitored by staff on a regular basis, any groups that congregate at the front of the store will be asked to move on if appropriate to do so."

Kerry,

As per our telephone conversation. A mistake was made on the application, as I mistakenly put the opening hours as the sale of alcohol hours from the existing premises licence.

We do not wish to extend the hours at closing time for the sale of alcohol, & wish for the sale of alcohol to terminate at midnight Sun- Thur, & 1am Fri & Sat. As Existing.

Therefore the hours on the application should read:-

Sun – Thur 0600 – 0000 hours
Fri & Sat 0600 – 0100 hours

Thus concluding the only extension of hours is for a 6am in the morning start.

Please can you forward to me all the objections so I can notify them of this.

Many Thanks

Gemma Goodwin
