

Meeting of the Council - 25th February 2008

Report of the Cabinet

Update of the Council's Capital Strategy

Purpose of Report

1. To consider the update of the Council's Capital Strategy following consideration by Select Committees.

Background

2. The Capital Strategy forms part of the Council's Budget and Policy Framework, and can therefore be amended only by the full Council following consideration by the Select Committees.
3. The draft Capital Strategy (attached - subject to updating where necessary) was approved by the Cabinet on 12th September 2007 and has now been considered by each Select Committee.
4. Specific concerns and comments arising from consideration of the draft Strategy at the various Committees have been forwarded to the appropriate persons.
5. No resolutions were made by any Committee concerning matters to be taken into account when the Strategy was re-considered by Cabinet or considered by full Council.
6. The Cabinet considered the update to the Capital Strategy at its meeting on 13th February, 2008 and resolved to recommend the Council to approve the recommendation in this report.

Finance

7. As described above, the Capital Strategy forms an integral part of the Council's strategic financial and service planning and supports decisions on capital investment under the "Prudential" system.

Law

8. Section 111 of the Local Government Act 1972 enables the Council to do anything which is calculated to facilitate or which is conducive or incidental to the discharge of any of its statutory functions.

Equality Impact

9. The proposed Capital Strategy complies with the Council's policy on equality and diversity. In particular, through this Strategy and the Asset Management Plan the Council will be seeking to comply with its responsibilities with regard to access for disabled people to its buildings.
10. With regard to Children and Young People:
 - The Capital Investment Priorities for Children's Services wholly relate to improving services for children and young people. Other Directorates' investment priorities will also have a significant impact on this group.
 - Consultation is undertaken with children and young people, if appropriate, when developing individual Capital projects.
 - There has been no direct involvement of children and young people in developing the proposals in this report.

Recommendation

11. That the Capital Strategy, as attached to this report, be approved and adopted.
