# 10 Other issues raised:-

A verbal presentation was received from Mr D Stenson, Governor of the Dudley Group of Hospitals National Health Service Foundation Trust relating to the changes in the National Health Service and how these would affect the Dudley Borough. Details in relation to the Dudley Clinical Commissioning Group and the Health and Wellbeing Board objectives were outlined. Details of an event for local organisations and the general public to attend on the 9<sup>th</sup> July, 2013 were provided and leaflets relating to Healthwatch Dudley and Your Trust were circulated to those present.

# 11 WORKING WITH YOU: TOPICS RAISED BY LOCAL COUNCILLORS

Councillor Foster reported that a multi agency meeting had taken place in relation to putting in place an action plan regarding animal welfare and this would include horse welfare including the safety and threat to the public who use Fens Pool Nature Reserve in relation to horses and those using motorcycles and that grazing issues would also be included. It was noted that the action plan would be carried out and the formation of Friends of Fens Pool Nature Reserve would take place. in order to reclaim the Nature Reserve for the people of the Dudley Borough and the improvement of management of the Nature Reserve and further details in relation to the formation of Friends of Fens Pool Nature Reserve would be publicised in order to make the public aware of this.

In relation to the planning application submitted by Clean Power it was reported that revised plans had been submitted by the Company and should the public wish to view these an appointment should be made with Ednam House, Dudley in order to do so. It was noted that the revised and amended plans would also be available to view at Brierley Hill Library and objectors were urged to view the revised plans and submit their objections to the Council by 30<sup>th</sup> April, 2013, in order that the objections could be received at the Development Control Committee which would consider the revised and amended plans further.

It was noted that Clean Power had been invited to attend a Public meeting on 15<sup>th</sup> May, 2013 however to date they had neither declined nor accepted the invitation. Following further discussion it was agreed that the Public meeting would still be convened on 15<sup>th</sup> May, 2013 although it was noted that Clean Power may not attend.

Following a proposal by Councillor Martin it was agreed that Ward Members would set up a Working Group to consider and discuss issues in relation to Traffic and congestion problems in the Brockmoor and Pensnett areas which would also consider pollution and the impact on health and would encompass the High Oak, Tansley Green Road and High Street Pensnett areas.
