we who live on the priory estate, dudley have signed this petition against number 135 priory road, dudley, west midlands.

Being allowed a liceince to sell alcohol at mentioned shop.

We have signed this due to the large amount of anti-social behaviour which occurs on the estate due to underage youths drinking alcohol especially on the corner of priory road and lilac road which is exactly were this shop is located.

Also there is already number 141 priory road shop which has now become a discount booze shop then there is the off liceince shop about 150 meters down the road from that and then there is the paper shop which now sells alcohol just 100 meters down from that one, and this above shop would be 3 shops away from 141 priory road which already sells alcohol.

In connection with the application for an alcohol licence for 135 priory road shop.

I am writing this letter of opposition to the shop number 135 priory road, Dudley being allowed to have a licence to sell alcohol between the hours of 7.00am - 11.00pm Monday to Sunday.

The facts are as follows there are already 2 shops which sell alcohol on the priory road and one off licence, these are within a distance of 300 metres of each other now if this shop is given a licence it will be within 3 shops distance of the first booze shop number 141 priory road which is a distance of less than 15 metres away on the same row of 4 shops???

Also I am more concerned due to the fact this shop 135 priory road is right by the corner of lilac road were the phone box is situated were all the local gangs have been gathering and causing serious antisocial problems for all on the priory road.

There is also a major problem with underage drinking due to some of the shops on the priory road already selling alcohol to underage children.

Why put a shop there to create more trouble??

Yours.

Matthew Ferguson. 133 priory road, Dudley, West midlands. Dy1 4eh.
