Reasons why I have failed to enclose the premises licence or relevant part of premises licence

The application for conversion was sent out during the period of transition but the licence has not yet been issued

P

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 9)

The types of regulated entertainments proposed reinstate and then enhance the normal pub and family entertainments that were previously unregulated, with the benefit to enhance the local facilities for social entertainment and reduce the focus on alcohol.

No new steps have been identified in risk assessment in relation to the four licensing objectives except as detailed below.

I have considered the terms of your local licensing policy in preparing this application.

b) The prevention of crime and disorder

Providing a 30-minute extension of opening hours after the end of the sale of alcohol will promote this objective as the last drink will be consumed less quickly, with access to the pub's toilet facilities

Regular liaison with Police

Proof of Age verification scheme in operation

Zero tolerance policy on the use or supply of drugs

c) Public safety

The fire safety measures with which the premises are provided, will be maintained in good working order, and their adequacy will be determined on a regular basis, by carrying out of a fire risk assessment. As the safety of occupants is influenced by numbers of persons present, their disposition and the activities taking place, a safe occupancy level will be maintained.

No risks are identified that are not covered by other legislation

Annual Corgi testing of appliances and PAT testing as required

Fire exits to be kept clear

d) The prevention of public nuisance

All regulated entertainment will end at least an hour before the supply of alcohol.

Regular noise checks during regulated entertainment and appropriate action taken

Customer notices re leaving the premises quietly

Outside areas kept clean and tidy and bins emptied regularly

No drinks taken off-site apart from off-sales

e) The protection of children from harm

The restrictions set out in the Licensing Act 2003 will apply

No unusual risks of harm to children are identified

Proof of Age scheme in operation

Subject: Variation of Premises Licence - Good Intent, 21 Vale Street, Upper Gornal, Dudley

I have the following representation to make regarding the above variation, in respect of the licensing objective of preventing public nuisance.

I would recommend the following conditions are considered for this licence :

1) When entertainment, other than incidental music, is provided upon site, that any doors and windows are all kept closed, except when patrons leave or enter the building.

2) The door, to the front lobby entrance, is kept closed during entertainment.

In addition, this Department has received no complaints of alleged noise nuisance from the premises since 1999. One complaint was received in this year, regarding alleged noise from late night drinking, but was never substantiated.
