LAW

14. The grant of consents to engage in street trading is governed by Part III of Schedule IV to the Local Government (Miscellaneous Provisions) Act 1982. High Street, Market Street, Birmingham Street, Dudley and Foster Street, Stourbridge are consent streets designated as such by a resolution of the Council. This means that street trading can take place only if the trader has a street trading consent issued by the Council. To trade without such a consent is an offence.
15. Where the consent allows the holder to trade from a cart, barrow or other vehicle, then the consent must specify the location from which the trader may trade and the times between which or periods for which he may trade.
16. Paragraph 7(2) of Schedule IV to the 1982 Act states that the Council may grant a consent if it thinks fit and, when granting or renewing a consent, the Council may attach such conditions as it considers necessary.
17. There is no right of appeal against the Council's decision to vary a condition upon which a consent is issued, or a refusal to grant or renew a street trader's consent.

EQUAL OPPORTUNITIES

18. This report takes into account the Council's policy on equal opportunities.

RECOMMENDATION

19. That the Sub-Committee determine Mr Smith's application.
