

**Select Committee for Culture & Recreation - 16<sup>th</sup> March 2006**

**Report of the Lead Officer for Select Committee on Culture & Recreation**

**Draft Annual Report of Select Committee on Culture & Recreation**

**Purpose of Report**

1. That the Annual Report of the Select Committee on Culture and Recreation for 2005/06, as set out above, be received and noted.

**Background**

2. Article 6 of the Council's Constitution requires Select Committees to report annually to the full Council on their work and to make recommendations for future work programmes and amended working methods if appropriate. The Select Committee Chairmen have agreed that the annual report for this Select Committee should be submitted to the April meeting of the Council.
3. In deciding its work programme for 2005/06 the Committee chose to concentrate on a manageable list of important issues to ensure that they could be properly scrutinised whilst at the same time giving the Committee some flexibility to add some additional items that arose during the course of the year.
4. Work Programme for the year 2005/2006
  - Scrutiny of Directorate of Urban Environment Equality & Diversity annual report and action plan.
  - Comprehensive Performance Assessment – Cultural Services Inspection and performance reports.
  - Scrutiny of implementation of Options Plus Scheme.
  - Scrutiny of Insurance Arrangements for Community groups using Council facilities.

  - Initial response of the council's insurer for alternative arrangements for community groups.

- Lack of use of school/sports and leisure facilities by the community and sporting groups.
- Leisure Centre performance.
- Recognition that public surveys confirm spending on Cultural services is not a priority and emphasis is on the role of leisure and culture in health improvement, community safety & improving the environment.

#### 6. Recommendations Made & Impact

- Suggested additional actions & eligibility criteria to increase the take up of Options plus – recommendations accepted and increased take up achieved.
- Requested further work be undertaken with the Council's insurers. – An outline proposal achieved and further detailed work to be undertaken.
- Requested Lifelong Learning Select Committee include in their work plan the issue of more school sports and leisure facilities being made available to users from the community.

#### 7. Issues not reviewed.

There were no issues identified in the work plan at the start of the year which were not reviewed. All of the work this year was scrutiny, there were no policy development activities.

#### 8. Opportunities for Improvement.

- The public participation session has been offered at each meeting of the committee, but has not been used this year. It was used extensively the previous year.
- Focusing on a small number of issues to scrutinise enabled constructive suggestions for change to be made, which were listened to and accepted.
