8. Subject to the views of the Committee at this meeting, the Lead for Law and Governance, following consultation with the Chair and Vice-Chair, will make the necessary practical arrangements for the Committee to conduct its work during 2023/24.
9. The Council's scrutiny arrangements are set out in Article 6 of the Constitution and the associated Procedure Rules within Part 4 of the Constitution. At the Annual Meeting of the Council on 18th May, 2023, approval was given to the establishment of the Overview and Scrutiny Committee, together with seven Select Committees, for the 2023/24 municipal year.

A report was submitted to the Overview and Scrutiny Committee on 12th June, 2023 proposing consequential updates to the Council's Overview and Scrutiny arrangements arising from decisions made at the Annual Meeting of the Council. The Overview and Scrutiny Committee has resolved that the report be deferred. A further report will be submitted to the Overview and Scrutiny Committee in due course. This will include clarification of the arrangements for the scrutiny of any decisions that are 'called-in' in line with the Procedure Rules.

10. A "Scrutiny Essentials" Training Session was provided to Members by the Local Government Association on 25th May, 2023, with emphasis on the importance of the Members role and essential scrutiny techniques to assist in the development of scrutiny work for the 2023/24 municipal year.

Finance

11. The Council's scrutiny arrangements for 2023/24 will cause an initial pressure of £30,180 on the budget for Members' Allowances and will also require additional unbudgeted resource for officer support. The Director of Finance and Legal will seek in year to contain this pressure from reserves. However, arrangements for future years will need to be considered as part of the budget process for 2024/25 onwards.

Law

12. Committees are established in accordance with the provisions of the Local Government Act 1972 and the requirements of the Council's Constitution, which was adopted under the Local Government Act 2000, subsequent legislation and associated Regulations and Guidance.

Risk Management

13. Reports to Select Committees will include a paragraph to ensure proper consideration of any ongoing material risks as part of the Council's Risk Management Framework.

Equality Impact

14. Provision exists within the Council's scrutiny arrangements for overview and scrutiny to be undertaken of the Council's policies on equality and diversity.

Human Resources/Organisational Development

15. The issues referred to in this report are administered within the resources available to the Democratic Services Team with support from Directorates and other Officers as required.

Commercial/Procurement

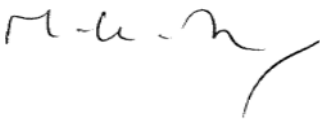

16. Individual items may have commercial or procurement implications, which will be reported to relevant Select Committees.

Environment/Climate Change

17. The Council requires that all reports should include an assessment of the impact on the environment. The Council has declared a Climate Emergency and reports on individual proposals should address the impact on the Council's work to address Climate Change and achieve the Net Zero target by 2041. In addition, individual reports should consider how the proposals support the [United Nations sustainable development goals](#)

Council Priorities and Projects

18. Work undertaken by Select Committees will contribute to the delivery of key Council priorities including the Borough Vision, Council Plan and Future Council Programme. Reports to meetings will include details of how proposals impact on key Council priorities.
