Report of the Director of Corporate Resources

Application for House to House Collections Licence

UK Export Trade Limited (Cancer Recovery Foundation)

Purpose of Report

1. To consider the application for the grant of a House to House Collections Licence in respect of UK Export Trade Limited on behalf of the charity known as Cancer Recovery Foundation.

Background

2. On the 1st May 2012, Irina Martin of UK Export Trade Limited made application for a House to House Collections Licence in respect of the charity Cancer Recovery Foundation. A copy of that application has been forwarded to Committee Members and interested parties.
3. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House to House Collection applicants to submit income and expenditure accounts for the previous financial year.
4. In recent years applications for House to House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009 the Council introduced a further policy that all applicants for House to House Collection Licences be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to ensure that a substantial amount of the monies collected are used for charitable purposes. A copy of those accounts on behalf of Cancer Recovery Foundation have been circulated to Committee Members and interested parties.
5. UK Export Trade Limited were unable to supply accounts as they will not have been trading for 12 months until September 2012. A copy of their response has also been forwarded to Committee Members and interested parties.

6. Copies of the application were circulated to the West Midlands Police and the Directorate of the Urban Environment (Highways). These agencies raised no objections to the application.
7. This matter was due to be considered by the Licensing Sub-Committee on the 19th June 2012. The Committee resolved at the request of the applicant that the matter be deferred.
8. This matter was again considered by the Sub-Committee on the 31st July 2012. The Committee again resolved at the request of the applicant that the matter be deferred. The Committee further resolved that should the applicant fail to attend that meeting that the matter be heard in her absence.
9. This report has a direct link to the Council's policy for safety as the principal reason for submission is safeguarding the public.

Finance

10. There are no financial implications.
