NETHERTON, WOODSIDE & ST ANDREWS

5. Netherton Cricket Club

This is the application referred to in paragraph 5 of the covering Report.

The Capital Allocations Working Group has not considered it, but it can be reported that all the necessary documentation is in order and it is an organization that has received grants from the Committee before.

They wish to replace badly damaged fencing and a gate to keep their premises more secure and offer better protection to the children who use the club, hence the urgent nature of the request.

The recommendation is that this Club be awarded a capital grant of £3,500.00 to install new fencing and a gate with the removal of brambles and other unsightly vegetation.
