

**Licensing Sub-Committee 4 – 15<sup>th</sup> March 2011**

**Report of the Director of Corporate Resources**

**Application for House to House Collections Licence**

**Treating Children with Cancer**

**Purpose of Report**

1. To consider the application for the grant of a House to House Collections Licence in respect of Treating Children with Cancer.

**Background**

2. On the 12<sup>th</sup> July 2010, Mr Feraz Mirza of Treating Children with Cancer made application for a House to House Collections Licence. A copy of that application is attached to this report as Appendix 1.
3. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House to House Collection applicants to submit income and expenditure accounts for the previous financial year.
4. In recent years applications for House to House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009 the Council introduced a further policy that all applicants for House to House Collection Licences be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to ensure that a substantial amount of the monies collected are used for charitable purposes.
5. Mr Mirza stated that Treating Children with Cancer was a relatively new charity and that the accounts would not be due until 2011.

6. Copies of the application were circulated to the West Midlands Police and the Directorate of the Urban Environment (Highways). These agencies raised no objections to the application.
7. This matter was due to be considered by the Sub-Committee on the 3<sup>rd</sup> August 2010. The Committee resolved at the request of the applicant that the matter be deferred.
8. This matter was again considered by the Licensing Sub-Committee on the 16<sup>th</sup> November 2010. The Committee resolved at the request of the applicant to defer the matter until March 2011.
9. This report has a direct link to the Council's policy for safety as the principal reason for submission is safeguarding the public.
