This will include clarification of the arrangements for the scrutiny of any decisions that are 'called-in' in line with the Procedure Rules.
10. A "Scrutiny Essentials" Training Session was provided to Members by the Local Government Association on 25<sup>th</sup> May, 2023, with emphasis on the importance of the Members role and essential scrutiny techniques to assist in the development of scrutiny work for the 2023/24 municipal year.

## **Finance**

11. The Council's scrutiny arrangements for 2023/24 will cause an initial pressure of £30,180 on the budget for Members' Allowances and will also require additional unbudgeted resource for officer support. The Director of Finance and Legal will seek in year to contain this pressure from reserves. However, arrangements for future years will need to be considered as part of the budget process for 2024/25 onwards.

## **Law**

12. Committees are established in accordance with the provisions of the Local Government Act 1972 and the requirements of the Council's Constitution, which was adopted under the Local Government Act 2000, subsequent legislation and associated Regulations and Guidance.

## **Risk Management**

13. Reports to Select Committees will include a paragraph to ensure proper consideration of any ongoing material risks as part of the Council's Risk Management Framework.

## **Equality Impact**

14. Provision exists within the Council's scrutiny arrangements for overview and scrutiny to be undertaken of the Council's policies on equality and diversity.

## **Human Resources/Organisational Development**

15. The issues referred to in this report are administered within the resources available to the Democratic Services Team with support from Directorates and other Officers as required.

## **Commercial/Procurement**

16. Individual items may have commercial or procurement implications, which will be reported to relevant Select Committees.

## **Environment/Climate Change**

17. The Council requires that all reports should include an assessment of the impact on the environment. The Council has declared a Climate Emergency and reports on individual proposals should address the impact on the Council's work to address Climate Change and achieve the Net Zero target by 2041. In addition, individual reports should consider how the proposals support the [United Nations sustainable development goals](#)

## **Council Priorities and Projects**

18. Work undertaken by Select Committees will contribute to the delivery of key Council priorities including the Borough Vision, Council Plan and Future Council Programme. Reports to meetings will include details of how proposals impact on key Council priorities.
