

Select Committee on Children's Services – Education Provision for Pupils (3 years to 19 years) Working Group

Terms of Reference

The Council has five Select Committees with a key role to review and scrutinise Council and Cabinet decisions. The Working Group is involved with the overview and scrutiny of matters relating to education provision for pupils 3 years to 19 years specifically. The Working Group will:

- review current projects related to the provision of educational establishments, for example, children centres and new schools;
- review the use of Government Grants to provide new school establishments for example, Primary Capital Programme, Targeted Capital Fund and Building Schools for the Future;
- review general maintenance and refurbishments of school estate for example, Asset Management Plan; Sustainability Plan;
- support and review Building Schools for the Future planning and development.
