

154-9950 LUTLEY OAK
 PLANS STC 01/05/13.

PLANS BY DESIGN
 All design work and construction documents are prepared under the supervision of a registered professional engineer or architect. The plans are prepared in accordance with the requirements of the Building Code of Australia (BCA) and the relevant standards. The client is responsible for ensuring that the design and construction comply with all applicable laws and regulations. The architect or engineer is not responsible for any errors or omissions in the plans, drawings or specifications, or for any consequences arising from their use. The client is responsible for obtaining all necessary permits and approvals. The architect or engineer is not responsible for any damage to property or persons, or for any costs or expenses incurred by the client, arising from the use of the plans, drawings or specifications. The client is responsible for ensuring that the design and construction comply with all applicable laws and regulations. The architect or engineer is not responsible for any errors or omissions in the plans, drawings or specifications, or for any consequences arising from their use. The client is responsible for obtaining all necessary permits and approvals. The architect or engineer is not responsible for any damage to property or persons, or for any costs or expenses incurred by the client, arising from the use of the plans, drawings or specifications.
