Subject: RE: Lee Grice - 4/26(0173) - Street Trader Application

As far as I know this is a new business to our area.

Provided he complies with current food safety as well as health and safety legislation the Food and Occupational Safety section would have no adverse comments.

Subject: Lee Grice - 4/26(0173) - Street Trader Application

Please see attached letter in respect of a street trader licence for the above named.

Mr Grice is hoping to trade in a lay-by on Manor Way, which is currently a Prohibited Street and would like it redesignated as a Consent Street.

Could I please have your comments within 14 days of this e-mail or as soon as possible.
