

**Special Meeting of the Select Committee on Community Safety and
Community Services – 8th October 2007**

QUESTIONS RECEIVED FROM A MEMBER OF THE PUBLIC

1. What will happen at the end of City Strategy?
2. What will be different in what the neighbourhood managers will do when they become Community Advisers?
3. Will City Strategy be concerned about residents priorities?
4. What about the residents in Coseley/Gornal? Kids go up there from other areas if there is no Neighbourhood Management things are going to get worse.
5. What actual money will City Strat bring in to keep Neighbourhood Managers?
6. How will the community and voluntary organisation become involved in things with no Neighbourhood Manager?
7. We have helped the council for years, voluntary youth work, community work, clean ups, information days etc, so why cant the council support us?
8. Does the council think that because our estate is poor we understand and know nothing about what goes on?
9. What as DCP got to do with it and exactly how much does the council spend on this?

Thank you
