Hi, Kay,

I oppose Mr Grice's application, on the grounds that it would not be safe for lorry drivers to walk up and down this layby for food and hot drinks whilst live traffic is so close.

There is no public footway in this layby.

When Dudley Council carries out maintenance work and cleansing work along the A456 it introduces lane closures, traffic management signing and barriers whilst the work takes place.

To accede to Mr Grice's application could compromise road safety.

Manor Way should remain a Prohibited Street.

Best wishes,

Please see attached letter in respect of a street trader licence for the above named.

Mr Grice is hoping to trade in a lay-by on Manor Way, which is currently a Prohibited Street and would like it redesignated as a Consent Street.

Could I please have your comments within 14 days of this e-mail or as soon as possible.
