LICENSING ACT 2003

NAME OF PREMISES: Urban Grilla Copmpany
ADDRESS: Unit 3, 4 The Broadway, Dudley DY1 4AR

I refer to the application for the Grant of a Premises licence, made in respect of the above premises.

I have visited the premises and there are some fire safety issues which may affect the Licensing Objective of **Public Safety**.

- The fire alarm system is faulty
- There was no evidence that the emergency lighting has been recently serviced
- The artificial plants forming a wall display are a fire hazard.

Consequently, **The Fire Authority hereby makes representation to the application.**

The Fire Authority will not remove its representation until The following have been provided;

- 1.
 2. **A copy of a recent test certificate by a competent engineer to confirm the fire alarm has been tested and is operating in accordance with the relevant British standard.BS 5839-1.**
 3. **A copy of a recent test certificate by a competent engineer to confirm the emergency lighting system has been tested as is operating in accordance with the relevant British standard BS5266-1.**
 4. **Confirmation of who will be responsible for the regular testing of the fire alarm system.**
 5. **Confirmation that the flammable display has been removed.**
-

Should you require any further information or clarification, please do not hesitate to contact me.
