He indicated that whilst the incident had left him feeling frightened and intimidated, he accepted that Mr RML's behaviour could have been a result of him having a "bad day". Whilst Mr RML's behaviour had been deemed unacceptable, Mr MK did not wish for Mr RML's private hire driver's licence to be revoked, but a firm warning be issued as to his future behaviour and conduct. Mr RML sincerely apologised for his conduct and the way in which he had made Mr MK feel, and indicated that he had been raised to respect the elderly members of society.

Following the Committee's questions, Mr MK withdrew from the meeting.

Following the presentation of the report submitted, both parties confirmed that the content of the report was a true reflection of the incidents that had occurred on 23rd March and 25th May, 2023.

The complainant, Mr PS responded to a series of questions asked by the Committee in relation to the incident and indicated that Mr MAA's behaviour had made him feel threatened and intimidated and had been deemed unacceptable, particularly as Mr PS's role was to provide support to driver's and recommend appropriate measures following failed vehicle checks.

Mr MAA responded to questions raised by the Committee and accepted that his behaviour during the incident had been unacceptable and should not have occurred and apologised for the way he had conducted himself during the incident and assured Member's that it would not occur again. In explaining the mitigating factors, Mr MAA indicated that he had recently had a bereavement in the family and was experiencing financial and other personal issues. Mr MA indicated that whilst a reasonable consideration was agreed by the Police Officer in that Mr MA could pick up his daughter from work, he acknowledged that it was made clear that he should attend the Council premises immediately after to enable a safety check of his vehicle to be carried out. He explained the mitigating factors in relation to his failure to follow Police instructions and indicated that he was unable to contact the service to explain his non-attendance as he had not been provided with a contact number and considered it to be "too late" to undergo a safety check following the issues that had occurred whilst transporting his daughter home.

Mr MA further responded to a series of questions asked by the Committee and confirmed that there were no further matters pending that needed to be brought to the Committee's attention.

The Committee's Solicitor provided a legal summary in relation to the case, following which all parties withdrew from the meeting to enable the Committee to determine the application.
