HOW CAN THE SMALL GROUPS DEVELOPMENT SERVICE HELP YOU?

What is Dudley Council for Voluntary Service?

Dudley CVS was established in 1973 to act as an umbrella body for the community and voluntary sector in Dudley.

Dudley CVS is a registered charity and Company Limited by Guarantee, non profit making and independent from government.

The Big Lottery Fund Project

On 14th December 2005, The Big Lottery granted three years of funding to Dudley CVS to provide a Small Groups Development Officer and an Information Officer

The role of the Development Officer is to offer proactive support to small and newly emerging voluntary sector organisations within the borough to help them get started. Early advice is often extremely beneficial to groups.
