
Licensing Sub-Committee 3 – 20th December 2022

Report of the Interim Director of Public Realm

Application for House to House Collections Licence

Purpose of Report

1. To consider the application for the grant of a House to House Collections Licence received from Clothing Connection Ltd on behalf of City and Sport (Ukraine).

Recommendation

2. That the Committee consider the application for a House to House Collection Licence in respect of City and Sport.

Background

3. On the 12th October 2022, Mr Andrius Kulikauskas of Clothing Connection Ltd made application for a House to House Collections Licence on behalf of the City and Sport. A copy of that application has been forwarded to Committee Members and interested parties.
4. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House to House Collection applicants to submit income and expenditure accounts for the previous financial year.
5. In recent years applications for House to House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009 the Council introduced a further policy that all applicants for House to House Collection Licences be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to

ensure that a substantial amount of the monies collected are used for charitable purposes. Copies of the accounts in respect of City and Sport have been received and translated into English at a cost to this Authority these are attached to this report as appendix 1. Clothing Collection Ltd were unable to produce accounts as they stated that they were a new company and that the first accounts will be available next year.

6. Copies of the application were circulated to West Midlands Police and the Public Realm Directorate (Highways). These agencies raised no objections to the application.

Finance

7. There are no financial implications.

Law

9. Council may refuse to grant a licence or where a licence has been granted may revoke it if it appears to the Authority:-
 - (a) that the total amount likely to be applied for charitable purposes as the result of the collection (including any amount already so applied) is inadequate in proportion to the value of the proceeds likely to be received (including any proceeds already received).
 - (b) that remuneration which is excessive in relation to the total amount aforesaid is likely to be, or has been, retained or received out of the proceeds of the collection by any person.
 - (c) that the grant of a licence would be likely to facilitate the commission of any offence under section three of the Vagrancy Act 1824, or that an offence under that section has been committed in connection with the collection.
 - (d) that the applicant or the holder of the licence is not a fit and proper person to hold a licence by reason of the fact that he has been convicted in the United Kingdom of any offences specified in the Schedule to this Act, or has been convicted in

any part of His Majesty's dominions of any offence conviction for which necessarily involved a finding that he acted fraudulently or dishonestly, or of any offence of a kind the commission of which would be likely to be facilitated by the grant of a licence.

- (e) that the applicant or the holder of the licence, in promoting a collection in respect of which a licence has been granted to him, has failed to exercise due diligence to secure that persons authorised by him to act as collectors for the purposes of the collection were fit and proper persons, to secure compliance on the part of persons so authorised with the provisions of regulations made under this Act, or to prevent prescribed badges or prescribed certificate of authority being obtained by persons other than persons so authorised.
 - (f) that the applicant or holder of the licence has refused or neglected to furnish to the authority such information as they may have reasonably required for the purpose of informing themselves as to any of the matters specified in the fore-going paragraphs.
