

**Licensing Sub Committee 2 – 21<sup>st</sup> June 2011**

**Report of the Director of Corporate Resources**

**Application for House to House Collections Licence**

**Mrs Gillian Sellick**

**Purpose of Report**

1. To consider the application for the grant of a House to House Collections Licence in respect of Mrs Gillian Sellick.

**Background**

2. On the 21<sup>st</sup> April 2011, an application was received from Gillian Sellick for a House-to-House Collection Licence. A copy of the application together with a letter explaining the reasons for the collection and where and how the proceeds of the collection will be distributed has been forwarded to Committee Members and interested parties.
3. In January 1999, the Licensing Section in accordance with the Neighbouring Authorities Working Group introduced a policy requiring all House-to-House Collection applicants to submit income and expenditure accounts for the previous financial year.
4. In recent years applications for House-to-House Collections have been received from independent commercial companies undertaking collections on behalf of specific charities. Therefore in November 2009, the Council introduced a further policy that all applicants for House to House Collection Licences be required to submit with the application income and expenditure accounts for the previous financial year of the charity for which the collection is being made and also for the company or organisation making the collection. This is to ensure that a substantial amount of the monies collected are used for charitable purposes.
5. Mrs Sellick is unable to produce income and expenditure accounts for the previous financial year in respect of her application as she has confirmed to the Licensing Office that she has not made any charitable collections previously and therefore has not got any accounts to produce.

6. Copies of the application has been circulated to the West Midlands Police and the Directorate of the Urban Environment (Highways). These agencies raised no objections to the application.
7. This application falls within the Councils recent responsibility for licensing which has a direct link to the Council key corporate priority that safety matters.

  - (b) that remuneration which is excessive in relation to the total amount aforesaid is likely to be, or has been, retained or received out of the proceeds of the collection by any person.
  - (c) that the grant of a licence would be likely to facilitate the commission of any offence under section three of the Vagrancy Act 1824, or that an offence under that section has been committed in connection with the collection.
  - (d) that the applicant or the holder of the licence is not a fit and proper person to hold a licence by reason of the fact that he has been convicted in the United Kingdom of any offences specified in the Schedule to this Act, or has been convicted in any part of His Majesty's dominions of any offence conviction for which necessarily involved a finding that he acted fraudulently or dishonestly, or of any offence of a kind the commission of which would be likely to be facilitated by the grant of a licence.
  - (e) that the applicant or the holder of the licence, in promoting a collection in respect of which a licence has been granted to him, has failed to exercise due diligence to secure that persons authorised by him to act as collectors for the purposes of the collection were fit and proper persons, to secure compliance on the part of persons so authorised with the provisions of regulations made under this Act, or to prevent prescribed badges or prescribed certificate of authority being obtained by persons other than persons so authorised.
