I wish to object to the issue of an alcohol licence for 4 Birdcage Walk, Dudley DY27AE.

I believe by issuing a licence would cause anti social behaviour and also believe it would attract social drinking outside the premises.

The site is located on the step of a new multi million pound metro development and the has already been anti social behaviour at the previous bus station. The new development should attract vibrant businesses and not that of a off licence. Also as a neighbour, I work as a hairstylist and don't want youths and alcoholics sat at the metro station drinking. There is also a bar a few doors down for people to get alcoholic beverages in a controlled manner.
