**Parking Strategy**

**Addendum to Report**

The removal of the 2 hours free parking and revised parking tariffs were introduced in October 2024. These are detailed in the table below and also in section 3 of the report.

	Tier	1 hour	2 hour	3 hour	4 hour	all day
Short stay	1	£1.80	£2.50	£3.00	£4.00	n/a
Long stay	2	£1.60	£2.50	£3.00	n/a	£6.00
Long stay	3	£1.20	£2.50	£3.00	n/a	£6.00

In addition to the development of the future parking strategy consideration will also be given to the introduction of a half an hour charge of 50p. This will be considered alongside a review of a range of other tariffs to be agreed later this year. The charges will be considered as part of a wider review of fees and charges in the autumn which will also include a consultation with both the public and local town centre businesses.
