Hi Chris

I drove past this layby on the way home the other day. This is a very busy road and the layby is not very long, there are access gates to the waste land adjacent to the layby.

Will someone do a site visit prior to granting licence?

Other than that I have no observations or comments to make regarding this application

Julie

Please see attached a application to engage in street trading and also for the street to become as consent street.

Could I please have your comments within 14 days of this email or as soon as possible.
