

DUDLEY HEALTH AND WELLBEING BOARD

Agenda Item no. 7

DATE	1 st December 2022
TITLE OF REPORT	Dudley's Model of Health and Care
Organisation and Author	Dudley Health and Care Partnership Board Sally Cornfield
Purpose	To provide an update from the Integrated Model of Care Implementation Group.
Background	<p>Over the last few months over 80 staff from across health and care partners in Dudley have been engaged in developing the new model of integrated health and care.</p> <p>The new model sets out how care will be different in Dudley as a result of true collaboration and shared outcomes and the attached diagram illustrates this. The final image will be interactive and enable people to hover over the personas and understand how the model was developed based on people's experiences. It illustrates the shared vision for what the integrated health and care model in Dudley will look like. All partners have a role to play in the system.</p>
Key Points	<p>A new model of care has been developed.</p> <p>A new governance / delivery structure has been agreed.</p> <p>It is anticipated that the work of the Transformation Groups will be completed by November 2022. Following this, other priority workstreams identified will be supported to transform services.</p> <p>Over the past few months, we have seen innovative practice and collaboration by our committed workforce, who have been given permission to do things differently and to take the space to build relationships.</p>
Emerging issues for discussion	How integration and collaboration can be improved in the context of the Health and Wellbeing Board's duty to encourage integration.
Key asks of the Board/wider system	<p>To note the progress made.</p> <p>To provide recommendations and offer support on sharing and implementing the model with partners, the workforce and vitally the public.</p>

<p>Contribution to H&WBB key goals.</p> <ul style="list-style-type: none"> • Healthy weight • Reducing loneliness & isolation • Reducing impact of poverty 	<p>The new model of care will contribute to all H&WBB goals</p>
<p>Contribution to Dudley Vision 2030</p>	<ul style="list-style-type: none"> • Home to hard graft, enterprise and innovation • Home to the skilled workforce of tomorrow • Home of warm welcomes and close-knit communities
