Approved spend' refers to those amounts which have been approved by Cabinet for inclusion in the capital programme; 'To be recommended for allocation' refers to those amounts which are recommended for allocation by officers and which are subject to approval by Cabinet for inclusion in the capital programme. These allocations may be subject to change prior to consideration by Cabinet as a result of new or changed priorities for spend, as long as such changes are consistent with the obligations set out in the legal agreements generating the commuted sums.
