**2.0      BACKGROUND**

2.1      Traffic Regulation Orders for the establishment of parking places near the homes of registered disabled persons are introduced twice every year.

2.2      These reserved spaces are provided for named individuals who do not have off-street parking facilities and whose level of disablement qualifies them for registration as Blue Badge holders. One permit is issued for each parking place, which is marked out on the carriageway as a white 'box'.

2.3      In the six month period up to Sept 2003, 5 applications in your Committee's area were received.

2.4      Appendix A displays the sites in your Committees area where no objections have been received and are recommended for introduction.

2.5      Appendix B displays the objections which have been made to an application in your Committee's area, where it is recommended that the objections should be upheld and the application not succeed.

2.6      Consultation

2.6.1 Letters regarding the applications were sent to the Police on 17 March 2004.
