

DUDLEY HEALTH AND WELLBEING BOARD

Agenda Item no. 8

DATE	1st December 2022
TITLE OF REPORT	Health Inequalities – Establishment of Population Health Management and Inequalities Group
Organisation and Author	Mr. N. Bucktin – Dudley Managing Director – Black Country Integrated Care Board
Purpose	To consider appropriate arrangements for the development and oversight of a health inequalities strategy for Dudley, in the context of evolving partnership arrangements.
Background	<ol style="list-style-type: none"> 1. Work is taking place to develop an Inequalities Strategy. 2. Work is also taking place on the JSNA and a refreshed outcomes framework. 3. A group has been established with partners to agree the allocation of resources to address health inequalities. 4. There is an opportunity to draw this work together and manage through a single group reporting to this Board.
Key Points	<ol style="list-style-type: none"> 1. It is proposed to establish a Population Health Management and Inequalities Group and an Analytical and Technical Sub-Group to oversee our work in this area. 2. Further detail is set out in the attached paper which has been approved by the Health and Care Partnership Board.
Emerging issues for discussion	
Key asks of the Board/wider system	To approve the proposal to establish the proposed Population Health Management and Inequalities Group and an Analytical and Technical Sub-Group.
Contribution to H&WBB key goals:	A health inequalities strategy will seek to address these key goals.
<ul style="list-style-type: none"> • Healthy weight 	

<ul style="list-style-type: none"> • Reducing loneliness & isolation • Reducing impact of poverty 	
<p>Contribution to Dudley Vision 2030</p>	<ol style="list-style-type: none"> 1. Reducing inequalities through addressing the wider determinants of health inequalities such as education, employment, housing, and the environment are a key focus for the Forging a Future Executive. 2. The proposed Group will report to the Executive as necessary.
