

DUDLEY HEALTH AND WELLBEING BOARD

Agenda Item no. 6

DATE	1st December 2022
TITLE OF REPORT	Joint Strategic Needs Assessment (JSNA) Update Report
Organisation and Author	Dr Marion Gibbon, Dudley Metropolitan Borough Council
Purpose	To inform the board about the proposed approach to the JSNA and agree way forward
Background	<p>The purpose of Joint Strategic Needs Assessments (JSNAs) and Joint Health and Wellbeing Strategies (JHWSs) is to improve the health and wellbeing outcomes of the local community and reduce inequalities for all ages. Guidance has been provided for their preparation which is especially important as under the Health and Social Care Act 2012, JSNAs and Joint Health and Wellbeing Strategy forms the basis of Integrated Care Board (previously required by Clinical Commissioning Groups), the NHS Commissioning Board and local authority commissioning plans, across all local health, social care, public health and children’s services.</p> <p>The JSNA and JHWS process is crucial to the system in order to make real improvements to the health and wellbeing of local people</p>
Key Points	<ol style="list-style-type: none"> 1. Look at best practice and ‘what works’ 2. Dudley Insight website as host 3. Morph the ‘All About Dudley’ approach to form a Dudley Insight Group (DIG) to network/ showcase/ build relationships and trust 4. JSNA working group (sub-group of DIG) – utilise/ build on expertise & shared ownership (“joint”) 5. Form a Power Bi User Group 6. Community Insight and Engagement - Co-production and lived experience working with Dudley Community and Voluntary Sector

	7. Showcase (JSNA 'on tour!')
Emerging issues for discussion	<ul style="list-style-type: none"> • Discussion and agreement of JSNA approach and aims of the Dudley Insight Group • Agree formation of a JSNA oversight group • Resources and use of Power BI • Developing Community and Partner Engagement • Place based arrangements and incorporation in JSNA across the life-course • Agreeing linkage with Population Health Management approach within Health
Key asks of the Board/wider system	Ensuring that there is an integrated approach to the development of the JSNA that takes on board the needs of the system and incorporates a resource allocation that makes it possible. A consideration of how the Black Country Academy works with the boroughs and provides support. A consideration of whether links need to be made with academic partners.
Contribution to H&WBB key goals: <ul style="list-style-type: none"> • Healthy weight • Reducing loneliness & isolation • Reducing impact of poverty 	The JSNA underpins the Health and Wellbeing Strategy and the priorities established by the Health and Wellbeing Board. Without a robust process for the JSNA it is challenging to establish the goals of the H&WBB.
Contribution to Dudley Vision 2030	The JSNA underpins the Dudley Vision 2030. The analysis contained within it shows the baseline position and allows achievements to be monitored and evaluated. Where performance data shows that inequalities are worsening it enables mitigating action to be taken.
