6. Notices of Motion

(a) Impact of Austerity

To consider the following notice of motion received from Councillor P Lowe on 29th September, 2021:

“This Council recognises the impact that austerity continues to have on our Council and the people that we represent.

This Council further notes that Government funding cuts continue to have a detrimental impact on our ability to address the crisis that we have in social care provision, housing, and many other essential Council services.

Dudley Council believe that the 72 Councillors have a duty to represent the interests of the people that we are elected to serve.

This Council therefore resolves to:

- Jointly write to the Government to demand additional funding so that we can invest in rebuilding our communities.
- Re-ignite the Fair Deal for Dudley campaign that highlighted the multi-million cuts to our funding since 2010.
- Re-establish and build on our local procurement promise building a 'Dudley model' using the principles of the Preston model.

Additionally, we recognise the impact that austerity is having on the working conditions of thousands of people employed in our borough. Many are threatened with being fired and re-hired if they refuse to accept less pay and worse conditions. This is no way to treat hard working Dudley residents after months of pandemic hardship.

We note that this practice has been banned in Ireland, Spain and France and believe it should be banned here in the UK to defend Dudley workers.

We therefore resolve to write to the Government:

- in the spirit of our Fair Deal for Dudley campaign, to demand additional funding
- stating our position on the use of fire and rehire and to call upon Government to act in respect of unscrupulous employers that adopt this practice.”

NB: The above motion was moved by Councillor P Lowe and seconded by Councillor S Ridney at the Council meeting on 11th October, 2021.

The following amendment was subsequently moved by Councillor S Clark, seconded by Councillor L Taylor-Childs. The amendment was debated at the Council meeting on 28th February, 2022:

“This Council recognises the importance of responsible financial management of Local Authority Finances. It is well known that pressures on services are increasing, from Mental Health to road repairs, and it is vital that Local Authorities adapt to the changing nature of Local Government financing.

Since 2018 this administration has creatively and responsibly managed the finances of this Authority which has not only led to the residents of Dudley receiving high quality front line services, enhanced green care and increased mental health services, but is seeing the most aspirational regeneration programme of our generation.

To further enhance the financial position of this authority, this administration is committed to local wealth creation by encouraging investment into our borough along with ensuring that Dudley is an attractive place for leisure and tourism.

This Council resolves to:

- Acknowledge that this administration has a duty to responsibly manage the finances of this authority to protect the wellbeing of the residents of this borough.
- Acknowledge that total reliance on Government Funding is wholly irresponsible and recognise the significant benefits to the borough which have been brought about by this administration taking a commercial approach to generate income and drive efficiencies.”

(b) Planning Regulations – Renewable Energy

To consider the following notice of motion received from Councillor R Buttery on 9th June, 2022:

“That this Council, being mindful of the environment and the impact of fuel bills on homes and businesses, notes that as a borough we are constantly striving to find innovative ways to support our residents and our environment.

That representations be made to the Government requesting that national planning regulations are updated so that any domestic or commercial property, be it a new build or an extension that involves new roof space, be required to fit solar panels to the roof to a minimum of 30% roof area. This would help to generate electricity for that domestic or commercial property, thus reducing the bills for the user of the property and having a positive impact on the environment.

That the Director of Regeneration and Enterprise submit a report to the Climate Change and Environment Scrutiny Committee outlining the existing position and the planning policies Dudley currently has in place in relation to renewable energy.”

(c) Levelling Up

To consider the following notice of motion received from Councillor P Sahota on 29th June, 2022:

“On Monday 27th June, 2022, a report was presented to the Cabinet describing progress with levelling up bids made on behalf of the Borough's 5 MPs.

It was disappointing to note that the two opportunities - in the form of 2 rounds of bidding - have yet to produce any confirmed investment from Government.

It is particularly disappointing and of concern that for the two most deprived constituencies - Dudley South and Dudley North - there is even less detail about the steps being taken to address this and the success of levelling up investment arising from bids in a 'potential' round 3 is uncertain.

One reason given for this failure relates to the level of information and evidence required to justify each bid. Four of the 5 MPs belong to the party in Government, and include those holding party and Government positions, which would suggest they have significant access to information and guidance. Therefore, it is unclear why the criteria for successful bids was not known or foreseen.

The people of Dudley have been seriously let down by this failure and, instead of levelling up Dudley, it risks further decline in those areas badly in need of this investment.

This Council undertakes to write to the Government outlining our concerns and to seek an urgent meeting with Government representatives leading on the levelling up agenda for advice and support to ensure that any round 3 bids made are successful.”

7. Questions from Members under Council Procedure Rule 11
8. To consider any business not on the agenda which by reason of special circumstances the Mayor is of the opinion should be considered at the meeting as a matter of urgency under the provisions of the Local Government Act 1972
